BRIEFING NOTE FOR DCI

SUBJECT: Additional Coverage of [REDACTED] Targets

25X6

File
Mission 3239 flown 13 November was approximately 40% successful according to pilot reports. Several key targets, particularly border crossing points in low-lying areas, were obscured by ground fog.

To get complete coverage of the targets requested by [REDACTED] it will be necessary to approve one more mission.

25X6

A back up mission has already been alerted and the weather is forecast to be good. The Go-No-Go decision for this back up mission is scheduled for 1500 EST today subject to Special Group approval.
